

Allows the switching on, switching off and dimming of any CASAMBI compatible device.

NODO SWITCH

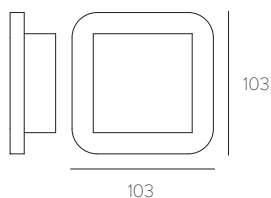

- 31020 Satin silver
- 31320 White
- 31520 Black

Battery-fed remote control manages the switching on, switching off and dimming of any CASAMBI compatible device.

XPRESS

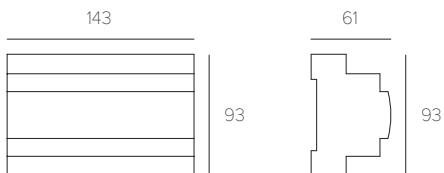

- 25160 Bluetooth remote control

Connected to the NODO System power supply, it allows the control and the dimming of the 3 phases (phase cut). Ready for DALI systems, it connects to CASAMBI systems through the 25162 device.

NODO AC DIMMER DALI

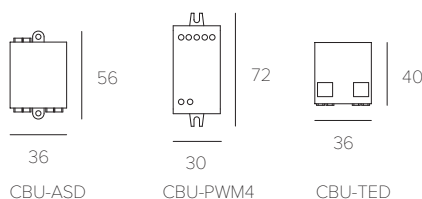

- 25168 Black

CASAMBI devices, combined with NODO SWITCH or control systems, allow interfacing of the various elements of the installation via Bluetooth.

CASAMBI devices

- 25162 CASAMBI CBU-ASD
- 25164 CASAMBI CBU-PWM4
- 25166 CASAMBI CBU-TED
